

The **Inglis and Area Business Group** will be selling advertising space on the big Bulletin Board that is on main street beside the Credit Union  
This will be available to all memberships for a \$ **25.00** yearly rent plus cost of the sign. These signs usually will be taken down for Christmas card greetings.

This is a great way for tourists and visitors to know about you and your business; you could have a lot of advertising, directions, specials, coupons, whatever? This is especially good for businesses that are not located in town.

***The membership and sign rental must be received by Feb. 11, or the space will be resold***

To reserve your sign send your payment of \$ 25.00 along with your membership fee to:
